

ceba baby

CEBA Sp. z o.o. is a leading Polish manufacturer of baby accessories and owner of the Ceba Baby brand. We are Europe's largest manufacturer of PVC changing tables, offering a wide range of designs and shapes to suit the needs of parents and children. Our range also includes pregnancy and nursing pillows. CEBA products are manufactured in a factory in Poland from certified, safe materials, which guarantees the highest quality and durability. For over 30 years, we have been supporting parents during the most important period of their child's life, combining functionality with safety and design.

The milestone mats

THE MILESTONE MATS

KEEP THE MEMORIES WHILE PROVIDING
COMFORT AND SAFETY FOR YOUR CHILD.

The milestone was designed for the special first year of your baby's life. Made of thick sponge and finished with PVC film, it both offers a comfortable and soft surface as well as ease in maintenance. The quality of materials guarantees durability and stain resistance, which is crucial for parents who want to keep the product in impeccable condition all year round. The mat is perfect for taking photos, creating a uniform and aesthetically pleasing background. It can also be used as a comfortable space for playing or relaxing, which adds to its functionality and appeal.

Multi pillow – optimal size and variety of uses.

A multifunctional sleeping and feeding pillow useful for moms, dads, and little babies. The pillow is filled with micro-pearls which are commonly used in rehabilitation pillows. Thanks to their properties, micro-pearls allow the body to take a comfortable position and relieve the spine. Physio pillow Multi is perfect for last months of pregnancy, breastfeeding as well as the later sitting learning process to provide firm support for the baby. Multi pillow is a 1st class medical device.

Duo pillow – maximum comfort.

Our pillow is a perfect relaxation pillow for all moms in the last months of their pregnancy, during the post-delivery period, as well as during breastfeeding. Duo pillow is our biggest pillow, that was designed to satisfy the requirements of the most demanding women. Ceba Baby pillow provides a stable support for the whole body during sleep and leisure time. It relieves the spine and relax the body. Product consists of two compartments filled with two different fillings. The first part, which supports the head, is filled with soft silica beads. The second part, the longer one, is filled with micropearls, which are used in rehabilitation pillows. Micropearls perfectly adapt to a body so it can find the most comfortable position. Duo pillow is a 1st class medical device.
